EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- Paragraph 27, Line 4: Please replace the word "Tuning" with --Turning--.
- Claim 4, Line 3: Please replace the word "drier" with --driver--.

2. Claims 1-31 are allowed.

3. The following is an examiner's statement of reasons for allowance:

There are certainly methods of offering products and services to a vehicle owner as seen in the system of **Faris et al** [U.S. 6,677,858]. However, there is no mention of transmitting the data elements to an electronic marketplace, correlating the element to at least one supplier in the database, and calculating a cost or at least one related product using the data element related to the product or service. This is considered unobvious in view of the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Dukach et al [U.S. 6,812,851] publicly displays messages on vehicles.

Florance et al [U.S. 6,871,140] creates a unified commercial real estate data model through collection and distribution of information.

Singleton [U.S. 6,944,536] identifies medical facilities along a travel route.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John A. Tweel, Jr. whose telephone number is 571 272 2969. The examiner can normally be reached on M-F 10-6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jeff Hofsass can be reached on 571 272 2981. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
